

Would your organization benefit from connecting directly with over 800 library professionals? Join us at ELUNA 2018!

ELUNA, the Ex Libris Users of North America, will meet May 01 – May 04, 2018 at the Davenport Grand in Spokane, WA. Please don't miss the opportunity to have your organization be an *ELUNA 2018 Meeting Sponsor!*

Conference attendees represent libraries that are customers of Ex Libris library systems and services. These include 1150 academic, government, corporate and public libraries and consortia from the United States, Canada, and the Caribbean. Ex Libris customers comprise over 90 members of the Association of Research Libraries and 41 of the top 50 North American universities. The ELUNA community has grown substantially in the last year with the addition of ProQuest system users!

ELUNA is a not-for-profit organization, independent from the Ex Libris Group, Inc. Corporate sponsorships of the conference help us keep attendees' registration costs affordable and provide sponsors with unique opportunities to increase the visibility of their products and to interact with current and prospective customers.

Sponsors will be gratefully recognized and provided with the conference participation options listed below:
