

A scenic landscape featuring a river, a rocky cliff, and a field of bluebonnets. The foreground is dominated by a dense field of vibrant bluebonnets. In the middle ground, a calm river flows through a lush green forest. To the right, a prominent, reddish-brown rocky cliff rises. The sky is clear and blue.

Belly-Up to the Chuck Wagon

- When it's time to eat, head on out to the closest hotel
- Volunteers will distribute tickets on a first-come, first-served basis to all y'all wearin' your badges
- If you want to sit with someone, wait 'til they get there to get in line – volunteers will only give out one ticket per person
- If the volunteers run out of tickets, please mosey on over to the other hotel

Meet conference planning committee, offer
your ideas, get involved in ELUNA 2011
planning

NERS (New Enhancement Requests)

Thursday 10:15 am Sheraton Grape Creek

- Development and implementation of ELUNA-IGeLU co-developed solution for Ex Libris product enhancement requests
- Experiences from Product groups, demo
- Naming contest: find out the winning name!

Website & Repository Session

Thursday 2:15-3:15 pm Sheraton Cap Rock

- Tour new website & learn how to upload documents to repository
- Especially for Product Working Groups, Regional User Groups, but all are welcome!

ELUNA 2009-2010: Year in Brief

- Please attend ELUNA Business Meeting
Wednesday 8:30 am
- Areas of focus:
 - Collaboration with Ex Libris
 - Collaboration with IGeLU
 - Enhance communication with membership
 - Bylaws revisions

Collaboration with Ex Libris

- URM Focus Groups
- Monthly product calls: Ex Libris-ELUNA-IGeLU
- Monthly ELUNA/IGeLU Steering Committee Chair calls with Ex Libris
- Bimonthly ELUNA SC – Ex Libris NA calls
- Collaborative testing: Aleph, Voyager, Primo
- OCLC WorldCat record use policy advocacy
- NERS data coordination with Product Working Groups & Product Managers

Collaboration with IGeLU

- Development of completely new shared system for ELUNA and IGeLU product enhancement requests: NERS;
- work began with meetings at IGeLU 2009 Madrid, through present; Bob Trotter (GALILEO), Mark Dehmlow (Notre Dame/MALC) developers; will be hosted at University of Siena (Italy)
- Ongoing collaboration with product-specific issues using NERS
- PWG joint meetings at ELUNA & IGeLU started at ALA Midwinter 2009 (Denver)

Enhance communication with membership

- Transformed last NA product list (ALEPH-NA) to global list shared with ELUNA & IGeLU
- Created new de-duplicated list from all product lists, ELUNA-ANNOUNCE-L (4755 subscribers); can opt out of list
- Migrated website from Drupal to Wordpress
- Implemented documents repository using ePrints; 450 presentations & other documents from NAAUG, EndUser, ELUNA, RUGs

Constitution & Bylaws Revisions

- Enhance continuity & leadership capability by extending SC terms to three years from two
- Past Chair now gains vote on SC
- Changed “Product Group” to “Product Working Group” to harmonize with IGeLU terminology
- ELUNA funding to RUGs formalized
- PWGs without leadership will be led by SC members

Thank you!

Please attend the ELUNA Business meeting
Wednesday 8:30-9:30 am for more detail
and Q&A
