### **Copyright Workflow**

- Run ILL62
- Copy to Excel (select all, copy, paste into Excel spreadsheet)
- Data clean-up
  - Sort by Title, look for errors :
    - 2 entries for same title even though all same info
    - 2 entries for same title ISSN hyphen
    - DOI instead of ISSN check for same title
    - Missing ISSN check to see if there are other entries

- Sort Journal Titles again by number of uses
   Separate into worksheets, by number of uses
- Add request information
- Report to Copyright Clearance Center

#### **Copyright Tips**

- GAC mostly uses the Copyright Statistics Report (ill-62).
  - Run a couple of times a semester
  - Run every January for previous calendar year
- Created documentation on the process
  - How to run the report in Aleph
  - Pay the fees in Copyright Clearance Center
  - Update Aleph requests

#### Copyright workflow

- Run the Copyright Statistics Report (ill-62)
   threshold of 5
- Search borrowing requests using the ISSN
- Use the Copyright button to view all the filled requests.
  - Look at them as a whole and individually, using Fair Use, CONTU, copyright law and common sense to determine if we need to pay.

#### **Copyright Fees Information Ledger**
