

**Addendum 1 to the Product Development Collaboration Agreement  
Between Ex Libris, IGeLU and ELUNA**

This addendum is an amendment to the Product Development Collaboration Agreement.

The addendum covers the additional product, **Summon**, that becomes covered as part of the Product Development Collaboration Agreement starting in 2017.

The governing principles, general responsibilities, commitments and collaborative efforts described in the agreement apply also to this addendum.

The addendum specifically records the agreement between Ex Libris, ELUNA and IGeLU on the Software Enhancement Process for the product **Summon** as described in paragraph **1.1** in the overall Product Development Collaboration Agreement.

Dedicated enhancement development points:  
**Summon/Summon Index – 150 pts per annum**

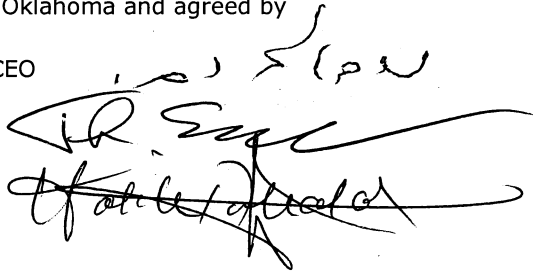

Additionally the Summon Index will be covered by the same commitments and procedures as the Primo Central Index as described in Section 2.1 of the Agreement.

This addendum is signed May 5 2016 in Oklahoma and agreed by

Ex Libris: Matti Shem Tov, President & CEO

IGeLU: Theo Engelman, IGeLU Chair

ELUNA: Habib Tabatabai, ELUNA Chair

The image shows three handwritten signatures in black ink. The top signature is for Matti Shem Tov, the middle one for Theo Engelman, and the bottom one for Habib Tabatabai. The signatures are written in a cursive, flowing style.
